

Pamela S. Johnson  
Mother/Guardian of Alexys Johnson  
Born: 1/1/00

Alexys Johnson was born January 1, 2000. During labor, Alexys was held in the birth canal for a total of 80 minutes. Due to this occurring, she was born jaundiced, severe bruising from her cheek bones and up, as well as having a compressed spinal cord.

On May 23, 2000, Pamela S. Johnson, herein referred to as "mother", brought Alexys to a Dr. James Knupp (Pediatric Ophthalmologist). At this time, Alexys was diagnosed with Optic Nerve Hypoplasia, Secondary Nystagmus, High Hyperopia, Intermittent Esotropia, Strabismus, markedly subnormal visual acuity.

Alexys was evaluated and a service plan was prepared for her treatment to begin with therapists. From the month of June 2000, Alexys saw on a weekly basis a Physical Therapist, Occupational Therapist, and a Developmental/Vision Therapist.

During the months of June, July and August of 2000, Margo Siekerka agreed to see her to heal her as an act of her belief and to attempt to open up Alexys' spinal cord. During the time period that followed, Alexys started exhibiting higher gross motor skills. Alexys began crawling and started pulling herself up as well as attempting to feed herself

In February 2001, Alexys' P.T. suggested we should place an order for braces to force Alexys to walk. The braces were to reach from her shoes to her knees and were to arrive in May 2001. The end of April 2001, Margo again agreed to see Alexys. After Margo's interaction, Alexys began pulling herself up more often. One week to the day the braces were to arrive, Alexys started walking, not only walking, but running as well.

In the month of December, 2001, Margo saw Alexys to attempt to aid the progression of Alexys' vision. Unfortunately, due to Alexys' claustrophobia, Margo was unable to continue the session. But, Margo has willingly agreed to continue at a later date.

On a personal note, I am truly thankful for having Margo Siekerka in my courageous daughter's and my life. In my opinion, she is a truly kind and gifted person.
