

August 31, 2002

My name is Muriel Lucas. I am 79 years old. Around 7 or 8 years old I damaged my knee. I sought medical assistance on April 22, 2002 and an X ray was ordered. At the time, the doctor advised me that nothing could be done, except for a shot. It continued to slip and cause me discomfort. On August 17, 2002 unknown to me Margo Siekerka attempted to heal me as an act of faith. The kneecap was immediately restored. Another X ray taken on August 26, 2002 confirmed the leg and kneecap were restored.
